## Things to Remember While at the Resort

**Pool Towels** have been provided for you in your villa or guest room. These towels are for your use throughout the week, and you may launder these on your own, or for \$7.50, we will provide a full towel exchange (A set of four pool and bath towels).

### Swimming Pools and Spas

- Toddlers and babies still in diapers are required to wear swimming pants while utilizing the pool facilities. Accidents will cause the closing of the pool for 24 hours while re-filtering and shocking of the water is completed, so please help us to keep the pools open for the enjoyment of all guests. Due to the high temperatures of our heated spas, for their own safety, children under 12 are not permitted in the spas. The Cobia/Pompano spa is for adults over 16 only.
- Use of swimming pools, whirlpool spas and/or other recreational facilities: Owners and authorized users of the swimming pools and/or whirlpool spas do so at their own risk. All users are requested to obey the posted rules and comply with local and state ordinances in effect. Children under twelve years of age using any swimming pool and/or other available recreational facilities must be accompanied and supervised by a responsible adult. Unattended children may be asked to leave the premises if they are in the pool area and/or violating any of the rules relating to the use of the pool. **CHILDREN UNDER TWELVE ARE NOT PERMITTED IN THE WHIRLPOOL SPAS. CHILDREN UNDER SIXTEEN MUST BE ACCOMPANIED BY PARENTS OR GUARDIANS WHILE USING THE WHIRLPOOL SPAS.**
- Small swimming aids and "noodles" may be used in the pools, but due to space limitations, large floats and rafts may not be used. Rough play, diving, and ball-throwing are dangerous and therefore strictly prohibited.

**Luggage Carts** are provided for each building, and they may be found in the garage area near the elevators. Please return these carts to the ground floor when you are finished so that others may use them.

A **Safe** is located in the closet of your villa. Please check to make sure the key is in the safe upon your arrival. Use of the safe is complimentary; lost keys will result in a \$75 charge for a locksmith to open and re-key the safe.

**Pool Chairs and Cabanas** are available for the enjoyment of all guests, and they may not be reserved or held. Unattended items left for more than 45 minutes may be removed so that others may make use of chairs or cabanas.

**Parking** is available under and around each building. Please display your parking permit in the windshield of your car. This helps us to easily identify cars that should not be in our parking lot. Please be careful to avoid parking in fire lanes, and be sure to display your decal or hang-tag when parking in spaces designated for the handicapped. If you have trouble finding a parking space, please contact the front desk, and our Loss Prevention staff will assist you.

Marriott's Ocean Pointe enjoys one of the highest owner occupancy rates of all Marriott Vacation Club resorts! Our Owners love their home resort, and return again and again. We are happy to grant villa location requests whenever possible, with priority given to our Ocean Pointe Owners that are visiting within their ownership season. For more information on how requests are handled and the priority order that we must follow, please contact the front desk. Requests for villa moves during the week will be granted based on availability, for a full-clean housekeeping service fee.
